Cancellations (Short Notice or No Show):

Where a provider has a Short Notice Cancellation (or no show) they can claim 100% of the agreed fee associated with the activity from the participant's plan, subject to this *Price Guide* and the terms of the service agreement with the participant.

A cancellation is a short notice cancellation if the participant:

- does not show up for a scheduled support within a reasonable time, or is not present at the agreed place and within a reasonable time when the provider is travelling to deliver the support; or
- has given less than two (2) clear business days' notice for a support that meets both of the following conditions:
 - the support is less than 8 hours continuous duration; AND
 - the agreed total price for the support is less than \$1000; or
- has given less than five (5) clear business days' notice for any other support.

Providers can only claim from a participant's plan for a Short Notice Cancellation of the delivery of a support item to the participant if all the following conditions are met:

- this *Price Guide* indicates that providers can claim for Short Notice Cancellations in respect of that support item; and
- the proposed charges for the activities comply with this *Price Guide*; and
- the provider has the agreement of the participant in advance (that is, the service agreement between the participant and provider should specify that Short Notice Cancellations can be claimed); and
- the provider was not able to find alternative billable work for the relevant worker and are required to pay the worker for the time that would have been spent providing the support.

Claims for a short notice cancellation should be made using the same support item as would have been used if the support had been delivered.

Transport:

The NDIS allows for travel costs to be invoiced against certain Support Items (as indicated in the Price Guide) with agreement in advance by the Participant.

- **Provider Travel:** This is where Currajong employees are required to travel to you to provide Face to Face to support. There are two components Currajong can Charge under Provider Travel:
 1. *Travel Time:* This is charged on a 'Travel Time' basis up to 60 minutes. As Currajong predominantly provides care supports this can only be charged for the time traveling to you and not the return time.
 2. *Non-Labour Costs:* Currajong will charge \$0.85/kilometre and claim any other associated costs such as, parking or road tolls etc.

- **Participant Travel (Activity Based Transport):** Currajong is entitled, with the agreement of the participant, to bill the participant's plan for the time that support workers spend providing the transport support (as part of the community participation support).
 1. *Travel Time:* This is charged on a 'Travel Time' basis. The worker's time can be claimed at the agreed hourly rate for the relevant support item for the total time the worker provides support to one or more participants, including time spent accompanying and/or transporting the participant. Where we are transporting two or more participants on the same trip, the worker's time will be apportioned amongst participants.
 2. *Non-Labour Costs:* Currajong will charge \$0.85/kilometre for standard vehicles and \$2.40/kilometre (if a vehicle modified for accessibility is required) and any other associated costs such as, parking or road tolls etc.
